OpenTable Diners Reveal Their Top 50 Picks for Restaurants with the Most Scenic Views

List of Restaurant Winners Unveils the Spots Where the Beautiful View Best Matches the Delicious Cuisine

SAN FRANCISCO, Aug 27, 2009 (BUSINESS WIRE) -- OpenTable, Inc. (NASDAQ:OPEN) (www.opentable.com), a leading provider of free, real-time online restaurant reservations for diners and reservation and guest management solutions for restaurants, today announced the winners of its 2009 Diners' Choice Awards for Most Scenic View. As the summer winds down, the list provides a handy guide for diners wishing to enjoy gorgeous views alongside delicious cuisine. The list of winners is derived from more than 3 million reviews submitted by OpenTable diners for nearly 10,000 restaurants in all 50 states and the District of Columbia.

"A spectacular view can turn a good meal into a standout," said Caroline Potter, OpenTable's dining expert. "From breathtaking sights to romantic sunsets, sitting beside a unique vista can be what makes some dining experiences the most memorable."

Based on feedback collected from OpenTable diners between August 2008 and July 2009, the following 50 restaurants, listed in alphabetical order, received the highest scores from OpenTable diners, indicating that they were considered among the best restaurants for scenic dining.
