About OpenTable, Inc.

[OpenTable](http://www.opentable.com) is the world's leading provider of online restaurant reservations, seating approximately 10 million diners per month via online bookings across more than 27,000 restaurants. The OpenTable network connects restaurants and diners, helping diners discover and book the perfect table and helping restaurants deliver personalized hospitality to keep guests coming back. The OpenTable service enables diners to see which restaurants have available tables, select a restaurant based on verified diner reviews, menus and other helpful information, and easily book a reservation. In addition to the Company's website and mobile apps, OpenTable powers online reservations for nearly 600 partners, including many of the Internet's most popular global and local brands. For restaurants, the OpenTable hospitality solutions enable them to manage their reservation book, streamline their operations and enhance their service levels. Since its inception in 1998, OpenTable has seated more than 400 million diners around the world. The Company is headquartered in San Francisco, California, and the OpenTable service is available throughout the United States, as well as in Canada, Germany, Japan, Mexico and the UK. OpenTable also owns and operates [toptable](http://www.toptable.com), the leading consumer destination site for restaurant reservations in the UK.
