OpenTable Announces 2009 Diners' Choice Awards for Restaurants with the Most Vibrant Bar Scenes

Diners Choose Favorite Places to Both Wine and Dine

SAN FRANCISCO, Dec 16, 2009 (GlobeNewswire via COMTEX News Network) -- As diners plan holiday and New Year's Eve celebrations, OpenTable, Inc. (Nasdaq:OPEN) (www.opentable.com), a leading provider of free, real-time online restaurant reservations for diners and reservation and guest management solutions for restaurants, today announced the 50 winners of its 2009 Diners' Choice Awards for restaurants with the most "Vibrant Bar Scene." The list features a variety of restaurants throughout the U.S. which OpenTable diners have ranked as having a lively and active bar environment as part of the dining experience. The list of winners is derived from nearly four million reviews submitted by OpenTable diners for over 10,000 restaurants in all 50 states and the District of Columbia.

"An energetic bar scene is a big draw for many diners, especially during a busy season of holiday celebrations," said Caroline Potter, Chief Dining Officer at OpenTable. "Starting or ending your meal at a restaurant's bar is a fun way to rub elbows with your fellow foodies."

Based on feedback collected from OpenTable diners between December 2008 and November 2009, the following 50 restaurants, listed in alphabetical order, received the highest scores from OpenTable diners, indicating that they were considered among the best restaurants with a vibrant bar scene.
