These awards reflect the combined opinions of more than 5 million restaurant reviews submitted by verified OpenTable diners for more than 20,000 restaurants in all 50 states and the District of Columbia.

Highlighting both traditional steakhouses and novel takes on the concept, the complete list features restaurants in 28 states and the District of Columbia and includes [Bavette's](#) in Chicago, [Keens Steakhouse](#) in New York and [STK](#) in Las Vegas. We can't imagine a better place to celebrate the holidays than at one of America's greatest steakhouses."

The list of the [100 Best Steakhouses in America](#) is generated from more than 5 million restaurant reviews collected from verified OpenTable diners between October 1, 2015, and September 30, 2016. All restaurants in the "steak" cuisine category with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to their overall food rating.
