The Best Restaurants for Best Outdoor Dining -- OpenTable Diners Reveal Their Favorite 50 Restaurants

California and Florida Boast the Most Outdoor Hot Spots with Great Views, Cuisine and Ambiance

SAN FRANCISCO, May 28, 2009 (BUSINESS WIRE) -- Just in time for the warm weather, OpenTable, Inc. (NASDAQ:OPEN) (www.opentable.com), a leading provider of free online reservations for diners and guest management systems for restaurants, today announced the national winners of its 2009 Diners' Choice awards for Best Outdoor Dining. The list of winning restaurants is derived from two million reviews submitted by OpenTable diners for more than 9,000 restaurants in all 50 states and the District of Columbia.

"The restaurants on this list offer a variety of wonderful outdoor dining experiences, from sweeping ocean views and desert cafés to urban rooftops and intimate gardens," said Caroline Potter, OpenTable's dining expert. "What the restaurants on this list have in common is that their carefully planned menus perfectly complement the settings with an emphasis on fresh, seasonal ingredients and delicious cocktails."

Based on feedback collected from OpenTable diners between April 2008 and April 2009, the following 50 restaurants, listed in alphabetical order, received the highest scores from OpenTable diners, indicating that they were considered among the top choices for Outdoor Dining restaurants. For more information about this list, please visit <http://www.opentable.com/outdoor>.

"Not surprisingly, Southern California and Western Florida are home to many of the award-winning restaurants, since the weather is warm more often than not in these locations," Potter added. "But, there are also other great hot spots in between the two coasts, including some hidden gems in both Arizona and Missouri."

For more information on Outdoor Dining trends and other hot spots, please visit Potter's "Dining Check" blog on OpenTable at <http://blog.opentable.com/>.

About OpenTable, Inc.

OpenTable is a leading provider of free, real-time online restaurant reservations for diners and reservation and guest management solutions for restaurants. The OpenTable network delivers the convenience of online restaurant reservations to diners and the operational benefits of a computerized reservation book to restaurants. OpenTable has more than 10,000 restaurant customers, and since its inception in 1998, has seated more than 100 million diners around the world. The company is headquartered in San Francisco, California, and the OpenTable service is available throughout the United States, as well as in Canada, Japan, Mexico, and parts of Europe.
