OpenTable Restaurant Reviews Reveal Top 100 Best Brunch Restaurants in America

Just in time for Mother's Day, OpenTable celebrates winning restaurants spanning 30 States and Washington, D.C.; New York, California, Florida and Washington State Boast Most Honorees

SAN FRANCISCO, April 21, 2015 /PRNewswire/ -- As we get ready to toast the nation's moms on Mother's Day, [OpenTable](#), the world's leading provider of online restaurant reservations and part of The Priceline Group (NASDAQ: PCLN), today unveiled the [2015 Top 100 Best Brunch Restaurants in America](#). These awards reflect the combined opinions of more than 5 million restaurant reviews submitted by verified OpenTable diners for more than 20,000 restaurants in all 50 states and the District of Columbia.

From restaurants in popular hotels to eateries serving playful spins on brunch staples, the complete list features winning restaurants in 30 states and Washington, D.C., and includes [Garden Court](#) in San Francisco, [Rosebud](#) in Atlanta, and [Sarabeth's TriBeCa](#) in New York. New York claims the greatest number of winning restaurants with 15, followed by California with 14 and Florida with eight. Washington State has seven winning restaurants, while Pennsylvania and Washington, D.C., have five apiece. Georgia, North Carolina, and Texas have four. Colorado, Illinois, Nevada, and Oklahoma all have three winners, and Louisiana, Minnesota, Virginia, and Wisconsin have two each. Arizona, Connecticut, Delaware, Hawaii, Massachusetts, Maryland, Missouri, New Hampshire, New Jersey, Ohio, Rhode Island, South Carolina, Tennessee, and Utah are also represented.

Despite the term "brunch" being coined by an English writer, brunch is very much an American institution, thus it isn't surprising that American fare dominates the winning menus. Restaurants showcasing French, fusion, Creole, Irish, and southern cuisines, among others, are present, as well.

"Thanks to the incredible dining experience at these restaurants, brunch has become the highlight of diners' weekends," says Caroline Potter, OpenTable Chief Dining Officer. "Saturdays and Sundays are always fun days when you're raising a perfect Bloody Mary and tucking into delicious chicken and waffles or eggs Benedict with friends and family."

[The Top 100 Best Brunch Restaurants in America](#) are generated from more than 5 million restaurant reviews collected from verified OpenTable diners between April 1, 2014, and March 31, 2015. All restaurants with a minimum number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to the percentage of qualifying reviews for which "great for brunch" was selected as a special feature.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the Top 100 Best Brunch Restaurants in America according to OpenTable diners. The complete list may also be viewed at <http://www.opentable.com/m/best-brunch-restaurants-in-america>.

About OpenTable Restaurant Reviews

Originally launched in November 2008, the OpenTable Reviews program helps diners find restaurants that best fit their dining occasions. Diners who recently honored an OpenTable reservation are invited via email to submit restaurant feedback using an online form. Visitors to OpenTable can access reviews for thousands of OpenTable restaurant partners across the United States, Canada, Germany and the UK. The OpenTable Reviews program has generated more than 30 million restaurant reviews by verified diners, establishing OpenTable as one of the largest and most trusted sources for restaurant reviews.

About OpenTable

[OpenTable](#), part of The Priceline Group (NASDAQ: PCLN), is the world's leading provider of online restaurant reservations, seating more than 16 million diners per month via online bookings across more than 32,000 restaurants. The OpenTable network connects restaurants and diners, helping diners discover and book the perfect table and helping restaurants deliver personalized hospitality to keep guests coming back. The OpenTable service enables diners to see which restaurants have available tables, select a restaurant based on verified diner reviews, menus, and other helpful information, and easily book a reservation. In addition to the company's website and mobile apps, OpenTable powers online reservations for nearly 600 partners, including many of the Internet's most popular global and local brands. For restaurants, the OpenTable hospitality solutions enable them to manage their reservation book, streamline their operations, and enhance their service levels. Since its inception in 1998, OpenTable has seated more than 760 million diners around the world. The Company is headquartered in San Francisco, California, and the OpenTable service is available throughout the United States, as well as in Canada, Germany, Japan, Mexico, and the UK.
