SAN FRANCISCO, Feb. 26, 2010 (GLOBE NEWSWIRE) -- OpenTable, Inc. (Nasdaq:OPEN) ([www.opentable.com](http://www.opentable.com)), a leading provider of free, real-time online restaurant reservations for diners and reservation and guest management solutions for restaurants, today announced the 50 restaurant winners of its 2010 Diners' Choice Awards for Best Service. The list of winners is derived from nearly four million reviews submitted by OpenTable diners for over 10,000 restaurants in all 50 U.S. states and the District of Columbia.

"Diners consistently tell us that service is one of two most important factors in making a meal great, often just as important as the food," said Caroline Potter, OpenTable's Chief Dining Officer. "The restaurants on this list have made a distinct impression with diners by providing top-notch service and truly completing the experience of dining out."

Based on feedback collected from OpenTable diners between February 2009 and January 2010, the following 50 restaurants, listed in alphabetical order, received the highest scores from OpenTable diners, indicating that they were considered to provide the best service.
