All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to the percentage of reviews for which "romantic" was selected as a special feature.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the 100 Most Romantic Restaurants in America for 2017 according to OpenTable diners. The complete list may also be viewed at <https://www.opentable.com/m/100-most-romantic-restaurants-2017/>.
