June 11, 2019

**Restaurants in California, Florida and Hawaii Receive Most Honors; Winners Span 19 States and Washington, D.C.**

SAN FRANCISCO, June 11, 2019 /PRNewswire/ -- As the days grow longer and we approach the official start of summer, [OpenTable](#), the world's leading provider of online restaurant reservations and part of [Booking Holdings, Inc.](#) (NASDAQ: BKNG) today unveiled the annual **100 Best AI Fresco Restaurants in America for 2019**, perfect for outdoor brunches, dinners and everything in between. Those looking to soak up the summer sun can turn to this list for an ideal setting to enjoy an exceptional meal outdoors.

From stunning skyline views at [Cecconi's Dumbo](#) in Brooklyn, New York, to luscious island scenery at [Keoki's Paradise](#) in Koloa, Hawaii to breathtaking rooftop panoramas at [Catch](#) in Los Angeles, the complete list features winning restaurants in 19 states and Washington, D.C. Compared to last year's list, California remains the most honored state. This year it has 31 winning restaurants. Florida and Hawaii follow behind again, with 26 and 10 winners, respectively. Other notable states for outdoor dining include Arizona with eight winning restaurants, New York with four and Ohio with three. Also featured this year are Illinois, Maryland, Massachusetts, Nevada, New Jersey, New Mexico, Pennsylvania, Rhode Island, North Carolina, South Carolina and Washington, D.C. The 2019 list brings newcomers to the forefront including Colorado, Louisiana and Washington.

"Outdoor dining is synonymous with summer – there's no better way to soak up a city's scenery, be it urban vistas or waterfront views, than with an al fresco table at one of this year's winning restaurants," said Caroline Potter, OpenTable's Chief Dining Officer. "Diners looking to snag a prime spot can use OpenTable's Seating Options feature to find the perfect place to celebrate the season."

OpenTable's list of the 100 Best AI Fresco Restaurants for 2019 is generated solely from diner reviews collected between April 30, 2018 and March 31, 2019. All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. The overall score is made up of unique data points, such as overall diner rating, user klout, total number of reviews and regional overall rating. Qualifying restaurants were then scored and sorted according to the sum of tags for which "outdoor dining" was selected as a special feature.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the 100 Best AI Fresco Restaurants in America according to OpenTable diners. The complete list may also be viewed at <https://www.opentable.com/lists/us-best-outdoor-restaurants-2019>.
