**OT Best Brunch Methodology:**

The 100 Best Brunch Restaurants list is generated solely from diner reviews collected between from April 1, 2020 - March 31, 2021. All restaurants with a minimum rating and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to the sum of tags for which "brunch" was selected as a special feature.

**\*OT Survey Methodology:**

OpenTable partnered with YouGov on April 19 - 20, 2021 to survey 1,326 adults (aged 18+) online within the U.S. The figures have been weighted and are representative of all U.S. adults (aged 18+).
