New Jersey and Texas restaurants each claim five spots on the list, and Pennsylvania restaurant bars have earned four spots. Maryland, Nevada, and South Carolina each boast three winners. Arizona, Colorado, Connecticut, Georgia, Illinois, Indiana, Minnesota, Missouri, Ohio, Oregon, Rhode Island, Tennessee, Washington, D.C., and Wisconsin are also represented. "Whether it's kicking an evening off with a perfectly poured drink or winding down with a nightcap, fun is always on the bar menu at these winning restaurants."

The Diners' Choice Awards for the Top 100 Hottest Restaurant Bars are generated from more than 5 million reviews collected from verified OpenTable diners between June 1, 2012, and May 31, 2013. All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to the percentage of qualifying reviews for which "vibrant bar scene" was selected as a special feature.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the Top 100 Hottest Restaurant Bars in the U.S. according to OpenTable diners. The complete list may also be viewed at <http://www.opentable.com/vibrantbarscene>.
