All restaurants with a minimum number of qualifying reviews were included for consideration. Qualifying restaurants were then sorted according to a score calculated from each restaurant's average rating in the "brunch" category along with a minimum "overall" rating.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the Top 100 Brunch Restaurants in America according to OpenTable diners. The complete list may also be viewed at <http://www.opentable.com/m/best-brunch-restaurants-in-america/>.
