## **Dining Out on Thanksgiving?**

**Washington Post**

### **Washington Post**

You'd better make your reservations soon. For a list of about 30 restaurants offering holiday dinners, visit [www.opentable.com](http://www.opentable.com). This Web site, OpenTable.com, allows you to make free reservations any time, as long as seats are still available at the restaurant. To be sure you're not left out in the cold, call the restaurant to confirm your reservations.
