OpenTable Restaurant Reviews Reveal the Top 100 Steakhouses in America

Winning Restaurants Cover 32 States and the District of Columbia; Texas and Ohio Steakhouses Top the List

SAN FRANCISCO, Nov. 12, 2014 /PRNewswire/ -- In a nod to the long and rich history of the American steakhouse, [OpenTable](#), the world's leading provider of online restaurant reservations and part of The Priceline Group (NASDAQ: PCLN), is pleased to honor the inaugural [2014 Diners' Choice Award winners for the Top 100 Steakhouses in America](#). These awards reflect the combined opinions of more than 5 million restaurant reviews submitted by verified OpenTable diners for more than 20,000 restaurants in all 50 states and the District of Columbia.

Including well-established meat meccas and newer steak restaurants, the complete list of award winners spans 32 states and Washington, D.C., and includes [Bones](#) in Atlanta, [Killen's Steakhouse](#) in Pearland, Texas, and [Lawry's The Prime Rib](#) in Las Vegas. Texas, the top beef producer in the nation, has the greatest number of winners with 15, followed by Ohio with seven winners. California, Florida, Louisiana, and North Carolina each boast six winning restaurants, while Georgia has five and Arizona and Illinois have four apiece. Oklahoma, South Carolina, Tennessee, and Wisconsin each count three honorees. Colorado, Idaho, Michigan, Minnesota, Nevada, New York, Oregon, Virginia, and Washington, respectively, have two award winners. Iowa, Kentucky, Maryland, Missouri, New Hampshire, New Jersey, New Mexico, Pennsylvania, South Dakota, Washington, D.C., and West Virginia are also represented.

"While the winning steakhouses source the very finest cuts of beef, these steakhouses are about more than meat," says Caroline Potter, OpenTable Chief Dining Officer. "From the stately to the sleek, the inaugural steakhouse honorees are creating dining experiences that are deliciously familiar while making each diner feel like a VIP at every visit."

[The Diners' Choice Awards for the Top 100 Steakhouses in America](#) are generated from more than 5 million restaurant reviews collected from verified OpenTable diners between November 1, 2013, and October 31, 2014. All restaurants with a minimum "overall" score and number of qualifying reviews were included for consideration. All restaurants in the "steak" cuisine category with a minimum "overall" score and number of qualifying reviews were included for consideration. Qualifying restaurants were then scored and sorted according to their overall food rating.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the Top 100 Steakhouses in America according to OpenTable diners. The complete list may also be viewed at <http://www.opentable.com/m/best-steakhouses-in-america/>.

About OpenTable Restaurant Reviews

Originally launched in November 2008, the OpenTable Reviews program helps diners find restaurants that best fit their dining occasions. Diners who recently honored an OpenTable reservation are invited via email to submit restaurant feedback using an online form. Visitors to OpenTable can access reviews for thousands of OpenTable restaurant partners across the United States, Canada, Germany and the UK. The OpenTable Reviews program has generated more than 27 million restaurant reviews by verified diners, establishing OpenTable as one of the largest and most trusted sources for restaurant reviews.

About OpenTable

[OpenTable](#), part of The Priceline Group (NASDAQ: PCLN), is the world's leading provider of online restaurant reservations, seating more than 15 million diners per month via online bookings across approximately 32,000 restaurants. The OpenTable network connects restaurants and diners, helping diners discover and book the perfect table and helping restaurants deliver personalized hospitality to keep guests coming back. The OpenTable service enables diners to see which restaurants have available tables, select a restaurant based on verified diner reviews, menus, and other helpful information, and easily book a reservation. In addition to the company's website and mobile apps, OpenTable powers online reservations for nearly 600 partners, including many of the Internet's most popular global and local brands. For restaurants, the OpenTable hospitality solutions enable them to manage their reservation book, streamline their operations, and enhance their service levels. Since its inception in 1998, OpenTable has seated more than 665 million diners around the world. The Company is headquartered in San Francisco, California, and the OpenTable service is available throughout the United States, as well as in Canada, Germany, Japan, Mexico, and the UK.
