## OpenTable Restaurant Reviews Reveal Top 100 Most Romantic Restaurants in America

### Winning Restaurants Span 32 States, with California, Florida, Hawaii, Texas, and Virginia Claiming Greatest Number of Honorees

SAN FRANCISCO, Jan. 29, 2014 /PRNewswire/ -- As diners make reservations for romance on Valentine's Day, [OpenTable](#) (NASDAQ: OPEN), the world's leading provider of online restaurant reservations, is pleased to honor the [2014 Diners' Choice Award winners for the Top 100 Most Romantic Restaurants in America](#). These awards reflect the combined opinions of more than 5 million restaurant reviews submitted by verified OpenTable diners for approximately 19,000 restaurants in all 50 states and the District of Columbia.

Featuring restaurants with alluring ambience and seductive menus, the complete list of honorees is scattered among 32 states and includes [Canlis](#) in Seattle, [The Little Door](#) in Los Angeles, and [Zenkichi](#) in Brooklyn. California boasts the greatest number of winning restaurants with 14, followed by Florida with eight. Hawaii, Texas, and Virginia each have seven winning restaurants. Colorado, Nevada, and Ohio claim five winners apiece, while Arizona, Illinois, New York, and Utah have four. Missouri, New Jersey, and Tennessee count three winning restaurants, and Georgia, Indiana, Maine, Mississippi, North Carolina, New Hampshire, Oklahoma, Pennsylvania, South Carolina, and Washington have two each. Alaska, Idaho, Louisiana, Massachusetts, Michigan, Montana, Nebraska, Oregon, and Rhode Island also have winning eateries.

For another year, fondue is a favorite for diners seeking to fan the flames of romance. And, illustrating that home really is where the heart is, American fare restaurants account for the greatest number of winners. French and Italian cuisines are very popular as well.

"This year's honorees offer couples a unique opportunity to step away from their hectic schedules and the pressures of everyday life and reconnect and rekindle their relationships over an elegant, intimate meal," said Caroline Potter, OpenTable Chief Dining Officer. "Love is always in the air - and romance is always on the menu - at any of these winning restaurants."

[The Diners' Choice Awards for the Top 100 Most Romantic Restaurants in America](#) are generated from more than 5 million restaurant reviews collected from verified OpenTable diners between January 14, 2013, and January 15, 2014. All restaurants with a minimum number of qualifying reviews were included for consideration. Qualifying restaurants were then sorted according to a score calculated from each restaurant's average rating in the "romantic" category along with a minimum "overall" rating.

Based on this methodology, the following restaurants, listed in alphabetical order, comprise the Top 100 Most Romantic Restaurants in America according to OpenTable diners. The complete list may also be viewed at <http://www.opentable.com/most-romantic-restaurants-in-america/>.

### **About OpenTable Restaurant Reviews**

Originally launched in November 2008, the OpenTable Reviews program helps diners find restaurants that best fit their dining occasions. Diners who recently honored an OpenTable reservation are invited via email to submit restaurant feedback using an online form. Visitors to OpenTable can access reviews for thousands of OpenTable restaurant partners across the United States, Canada, and the UK. The OpenTable Reviews program has generated more than 20 million restaurant reviews by verified diners, establishing OpenTable as one of the largest and most trusted sources for restaurant reviews.

### **About OpenTable**

[OpenTable](#) is the world's leading provider of online restaurant reservations, seating more than 12 million diners per month via online bookings across approximately 30,000 restaurants. The OpenTable network connects restaurants and diners, helping diners discover and book the perfect table and helping restaurants deliver personalized hospitality to keep guests coming back. The OpenTable service enables diners to see which restaurants have available tables, select a restaurant based on verified diner reviews, menus, and other helpful information, and easily book a reservation. In addition to the company's website and mobile apps, OpenTable powers online reservations for nearly 600 partners, including many of the Internet's most popular global and local brands. For restaurants, the OpenTable hospitality solutions enable them to manage their reservation book, streamline their operations, and enhance their service levels. Since its inception in 1998, OpenTable has seated more than 530 million diners around the world. The Company is headquartered in San Francisco, California, and the OpenTable service is available throughout the United States, as well as in Canada, Germany, Japan, Mexico, and the UK. OpenTable also owns and operates [toptable](#), the leading consumer destination site for restaurant reservations in the UK. More information is available on <http://www.opentable.com>.
